Notice: New Catalog in Development

(Please scroll down to view the old version)

Change  This version of the Greenbarn catalog has served us well for many years, but it is quite "long in the tooth" now and ready for retirement. We are working hard to upgrade our online catalog to a searchable version, with prices, information, color chips, links to manufacturer web pages, mobile device compatibility, and with links to safety data sheets.

Search  Please visit www.Greenbarn.com and enter your keywords into the search bar for detailed product information. You might search by using supplier names like Plainsman, Spectrum, Kemper, and Skutt. You can also search with general terms such as low fire, glaze, tool, and sculpture if you want a broader search. Or, if you know that you want to find a specific product by name, you can enter M370, Potter's Choice, Kaolin, or other product names to take you right to the individual items.

Info  You may notice that some items in the upgraded catalog will have a bold "i" in the description, and this is a clickable link to additional information for you. This link will often take you to a supplier's web page, and away from the Greenbarn website. Where possible, we are also linking material safety data sheets directly to the related catalog items, such as dry glaze materials, glazes and clays.

ETA  Thank you for your patience while we perform this upgrade. The vast majority of our products are already listed in the new catalog, but we expect that this conversion is a process, and that it will take some time to complete the descriptions to our satisfaction. Your feedback is welcome and we will continue to work at making this an easier catalog to use, with more information for you, so that we can help you get back to making your art!

Sincerely,
All of us here at Greenbarn Potters Supply
**Giffin Grip (Model-10)**

Newly redesigned blue sliders and pads are taller and go in closer for more precise range of use. This classic and essential re-centering tool makes trimming and decorating a snap! Three sliders and arms gently move the pot into the centre and secure it there until you release it. After an initial adjustment, the Giffin Grip flexibly snaps on and off your wheel without any tools! Included in the package are a full set of the basic and wide-slider sets, and a set of 15 rods with hands.

Giffin Grip .......................$309.00

**Giffin Grip, Model-10, Parts & Accessories**

- BBS3 ...... Blue, Basic sliders - set of 3 .........................$36.49
- BWS3 ...... Blue, Wide sliders - set of 3 .......................$36.49
- BB3 ........ Bottom brackets - set of 3 ..........................$23.95
- FP3 ........ Foam pads - set of 3 .................................$3.35
- PBS3 ...... Foam pads (for blue slider) - set of 3 ............$8.45
- OR2S3 .... Pkg of 2 O rings, 3 shims ...........................$3.95

Trim shapes that aren't round! Flex sliders can adjust individually to grip your thrown and altered pots. Flex ........ Flex sliders - set of 3 .................................$49.65

The following rod kits include a set of hands:
- R15W15 . Set of 15 rods, 15 hands ............................$60.89
- RH23 ....... 2” rods with hands - set of 3 ......................$18.19
- RH33 ......... 3” rods with hands - set of 3 ....................$18.19
- RH43 ......... 4” rods with hands - set of 3 ....................$18.19
- RH53 ......... 5” rods with hands - set of 3 ....................$18.19
- RH63 ......... 6” rods with hands - set of 3 ....................$18.19

**Batmate**

Xiem Batmate™ is the perfect solution for annoying bat jitter and warping. Dampen this soft "chamois-like" material, sit it on your wheel head and it holds your throwing bats firmly, replacing bat pins. Or place Batmate™ below your problem bats on the wheel and instantly your warped bats become more stable. It is also great for trimming bowls and plates. Stop hunting for those missing bat pins and try this easy alternative.

12” Round ......................$13.29
14” Round ......................$14.69

**Northstar Universal Bat System**

Save time and clutter! The Universal Insert Bat System is designed to allow potters to throw on a removable bat insert, saving time and space by having less bats. The outer bat is a 13” diam. Medex bat holder and the inserts are 5.5” Duron which fit flush with the top of the outer bat.

Universal System (with 9 square inserts) .... $77.00
Replacement 5.5” Square Batts (12 pack) ... $31.00

**Warranty Notes (taken from the manufacturer):**

We are not able to control the way bats are used or the environment in which they are used. For these reasons, throwing bats carry absolutely no warranty beyond accurate drilling to Northstar specifications and arrival in good condition.

**Care Notes (taken from the manufacturer):**

1. Clean them after each use.
2. Avoid keeping them wet for long periods of time and avoid bending them when they are wet.
3. Warped bats can usually be flattened by drying them in a stack with a weight on them.

**Perfect Fit of your Inserts (taken from the manufacturer):**

The final fit of the inserts is determined by the user's personal preference. Inserts can absorb moisture and change dimensions slightly. The inserts are cut to fit tightly but you may wish to lightly sand edges for increased side to side play. Do occasional fit checks while you are sanding and after regular use on the wheel. After using the system several times, the wood will "settle in" and minimal changes to the dimensions of the inserts will occur.
Drape Molds

This set of plaster drape molds is widely used in schools, private studios, and are particularly useful in the occupational therapy departments of hospitals. Available in seven shapes and sizes, these plaster molds can be used to make an unlimited number of forms including bowls, platters, planters, vases, masks, and dishes. Just drape a slab of clay over the top of the mold and let your originality do the rest.

Mold Dimensions: L x W x H. Weight
#1......................7-1/2" x 5-5/8" x 1-7/8".................. 1 lb.
#2.....................9-3/8" x 4-1/2" x 1-1/2"................... 2 lbs.
#3......................11" x 7-5/8" x 1".......................... 2 lbs.
#4......................7-1/2" x 4-3/4" x 1-1/2"................... 1/2 lbs.
#5......................7-1/2" x 5-3/4" x 3"................. 1/2 lb.
#6..........................11" x 7" x 2-1/4"............... 2 1/4 lbs.
#7..........................12-1/4" x 5-1/4" x 2-1/4".............. 2 lbs.

Drape molds, each.............$38.99 each

Pure & Simple Quick Release System

For use with the Pure & Simple plastic molds shown on the next page, the tongue-n-groove Quick Release accessory is a system that allows you to instantly center and secure the bat to the wheelhead. Batts prepared with the Quick Release mold quickly snap onto the wheelhead attachment. It has been tested to secure up to 50 lbs. of clay without wobbling. See next page for pricing please.

Plasti-Batts

The Plasti-Batt was designed to be a high quality, long lasting batt. Made of non-absorbent plastic, with a textured surface so clay will stick to the surface.

8" Round ......................$14.89
10" Round ......................$17.89
12" Round (drilled) ..........$22.39
14" Round (drilled) ..........$26.99

Speedball Batts (was Creative Industry)

Treat yourself! Speedball batts have molded sockets underneath which fit onto Brent, Shimpco, Pacifica, Lockerbie, and Skutt wheels for easy placement onto your wheelhead. These batts are manufactured from injection molded plastic, have a long life, and feature an "easy lift rim" for quick removal.

7-1/2" Square ............$11.69
12" Round ..................$16.29
14" Round ..................$18.49

Plaster bats

Thrown work will release itself! No need to wire off your work with these quality, absorbent plaster bats.

7.5" .................$9.60
9.5" .................$11.80
11.5" ...............$13.70
13.5" ...............$15.70
Pure & Simple Plaster Bat Molds

These permanent, re-useable, durable plastic molds enable you to make your own plaster bats in a variety of shapes and sizes for use on your wheel. Use this batt system to throw plates, bowls and lids upside down and all you have to do is form the foot or knobs as needed. Your ware will be consistent and little or no trimming is required. Brochures are available giving more detailed instructions on how to use these molds.

Pure & Simple SlumpHump Molds

The SlumpHump Mold is a permanent, re-useable, durable plastic mold that allows you to pour your own low-cost plaster drape molds for slab work. The reversible design lets you pour both hump molds and slump molds, and the tapered wall lets you vary the size and depth of your molds by letting you add more or less plaster. Please see below for details and ordering codes.
