Notice: New Catalog in Development

(Please scroll down to view the old version)

Change
This version of the Greenbarn catalog has served us well for many years, but it is quite "long in the tooth" now and ready for retirement. We are working hard to upgrade our online catalog to a searchable version, with prices, information, color chips, links to manufacturer web pages, mobile device compatibility, and with links to safety data sheets.

Search
Please visit www.Greenbarn.com and enter your keywords into the search bar for detailed product information. You might search by using supplier names like Plainsman, Spectrum, Kemper, and Skutt. You can also search with general terms such as low fire, glaze, tool, and sculpture if you want a broader search. Or, if you know that you want to find a specific product by name, you can enter M370, Potter's Choice, Kaolin, or other product names to take you right to the individual items.

Info
You may notice that some items in the upgraded catalog will have a bold "i" in the description, and this is a clickable link to additional information for you. This link will often take you to a supplier's web page, and away from the Greenbarn website. Where possible, we are also linking material safety data sheets directly to the related catalog items, such as dry glaze materials, glazes and clays.

ETA
Thank you for your patience while we perform this upgrade. The vast majority of our products are already listed in the new catalog, but we expect that this conversion is a process, and that it will take some time to complete the descriptions to our satisfaction. Your feedback is welcome and we will continue to work at making this an easier catalog to use, with more information for you, so that we can help you get back to making your art!

Sincerely,
All of us here at Greenbarn Potters Supply

**ES 3000 Digital Scale**
The perfect choice for glaze making! This is a great quality, very accurate, digital scale for use in weighing your dry materials. The digital tare feature easily counterbalances any container used to hold the materials being weighed. The scale can both weigh up to 3000 grams for large batches, and is also accurate to 0.1 gram for weighing your small test samples. Comes with a 7" square, stainless steel weighing surface. Calibrated locally, not internationally, for higher accuracy.

ES 3000 scale.................................................. $269.00

---

**Small Plastic Jars**
Good storage containers in a variety of sizes. Complete with screw on lids.
4 oz.......................... $0.95
Pint (16 fl. oz.)............. $1.39
Litre (1000 ml).............. $2.09
Gallon (128 fl. oz)......... $3.50

---

**3M Respirator**
The best value in respirators. This respirator comes with twin dust filters. This lightweight mask is made of cool and comfortable silicone.

3M respirator (includes filters)........ $69.89
Replacement filters 3M (pair)........... $22.95

---

**Laguna containers**
Plastic containers complete with lids. The 5 quart pail is the size of an ice cream pail, which is a good size to use for water when throwing on the wheel. It measures 8.5" in diameter and 6.5" high.

5 quart pail .................. $8.30

---

**Metal Scoops**
Round stainless steel scoops for handling dry chemicals and bagged materials. Easy to clean.

Small ............... 5 oz ......... $6.85
Medium ............. 12 oz ....... $10.95
Large ............... 24 oz ....... $14.95
Very large........... 58 oz ....... $23.95

---

**Dust Masks**
Disposable #8710 dust mask. Good basic protection when handling dusts of any kind.

Dust mask....................... $1.99
Box of 20 masks............. $37.81

---

**Equipment: Glaze Mixing**
Talisman Rotary Sieve
A great sieve for sieving large volumes of glaze. The tapered plastic body fits on any round container. Handle extensions allow it to rest on larger containers. Push-in stainless steel screens with molded rubber rims are interchangeable. Can be used with either wet or dry materials. The brushes rotate against screen. After use, the screen can be removed for easy washing. Available in 40, 60, 80, 100, 120, and 200 mesh screens. The higher the number, the finer the screen. 60 or 80 mesh are recommended for most glazes. Specify the mesh size you want when ordering.

Rotary sieve - complete .................. $224.00
Extra screen .................................. $45.00

Other Talisman parts:
Brushes - each ................................ $11.00
Brush unit - no brushes ....................... $19.50

Talisman Hand Sieve
6.5” diameter sieve in plastic bowl. Fits on top of 10" buckets. Push-in screens of different mesh size are interchangeable. Available in 40, 60, 80, 100, 120, and 200 mesh screens. Screens will also fit in the rotary sieve.

Hand sieve .................. $75.00
( with screen)
Extra screen ................. $45.00
Hand sieve, Bowl only ..... $34.00
(without screen)

Mesh Screen (Roll)
This screen is carried in stock and is available on a 12" wide roll, sold per running inch.
60 mesh ........ $1.93 per inch.
80 mesh .......... $1.80 per inch.
100 mesh ...... $1.75 per inch.

Supersieves
6.5" diameter sieve in plastic bowl. Fits on top of 12" bucket. 60 mesh or 80 mesh are recommended for most glazes.

40 mesh ........ $41.85
60 mesh ........ $41.85
80 mesh ........ $41.85
100 mesh .......... $41.85
120 mesh ............ $41.85
200 mesh ........ $41.85

Talisman Test Sieve
A small sieve ideal for doing small test batches of glazes. The top opening is 4" and bottom opening is 3". Available in 40, 60, 80, 100, 120, and 200 mesh screens.

Test sieve................. $26.95

Jiffy Mixers
Stainless steel mixers. Use with an electric drill to mix glazes, clay, slip and plaster. Note that with the LM, HS and ES series, you can use a normal size drill.
The ES 21" is our most popular size, and can be used when mixing in 5 gallon to 20 gallon containers.

Small mixers:
LM 10".................. $22.95
HS 15"................. $29.95

Medium size mixer:
ES 21" ............... $82.95

Hydrometer
Used for testing the specific gravity of liquids. Very useful if you have a glaze or slip that must have a specific amount of water in it, or needs to be a specific thickness for your glaze application.

Small (6") ............... $33.89
Large (11.5") .......... $45.89

Glaze Mixing Paddle
24" paddle for mixing glazes
Each....................... $14.50
Shimpo Banding Wheels

Shimpo's banding wheels are extremely durable and make an excellent choice for the production potter, studio artist and classroom alike. Solid cast-iron with sealed ball bearings for extra smooth and even rotation, they are ideal for even the most delicate applications.

Laguna Banding Wheels

Good quality banding wheel made by Laguna Clay Co. Medium weight with good bearings

NL-275 ....... 8.5" diameter, 5" high ............ $83.00

Amaco Banding Wheel

Lightweight Amaco banding wheel. Aluminum construction with a detachable head. 7" diameter, 4.25" high.

Banding wheel ........... $56.99

Plastic Banding Wheel

Practical and inexpensive banding wheel suitable for light work. 8" diameter, 1.5" high.

Plastic banding wheel ............... $27.45

Lazy Susan Bearing

Make your own low cost banding wheel by attaching this lazy susan bearing to a wooden batt. 6" x 6" with cork pad.

Each ......................... $6.59
Catalog for reference only, all prices are out of date. *** Please see "Search bar" at Greenbarn.com

**Critter Spray gun**

New spray gun. Now kept in stock. Comes with one glass Mason jar and takes standard Mason jars so that you can easily swap and store your glazes until you are ready to use them. Doesn't come with hose. Requires an adaptor to attach to your compressor and hose.

The manufacturer recommends a 3/4 HP compressor which can produce 3 CFM at 90 PSI.

Each...............................$72.39

**HVLP Deluxe Spray gun**

HVLP stands for "High Volume Low Pressure" and is designed exclusively for glazes and slips. This gun allows the artist to apply an even coating in a short time while cutting down significantly on overspray, wasted materials and pollution. Please ask our staff if you have any questions, we tested this product before adding it to our catalog and we were very impressed!

Hose and compressor sold separately. The HVLP spray gun operates on low pressure, and the manufacturer recommends only a 15 gal, 2.5 HP compressor which provides 30-50 PSI.

Each...............................$86.39

**Back in stock! Atomizer!**

A hand held sprayer for doing small areas or quantities. Use by holding one end in the glaze and blowing into the other end.

Atomizer .......................$3.85

**Sprayer pipe**

Spray glazes with this mid size sprayer. 2 1/2" high by 3" in diameter. Made of stainless steel. Use by filling container with glaze and then blowing into the pipe end.

Sprayer pipe - C47 ...........$28.00

**Studio Sink Trap by GLECO**

The most popular model of sink trap, this model installs easily to help you control the flow of clay solids down your studio drain. It comes with a replacement bottle so that cleaning out the trap is very easy and requires no tools. Replacement bottles are available in a variety of sizes.

Model GT-64 ...............$207.00
